

ABC WITH KENNY G

KG - Grade 1

ABC WITH *Kenny G*

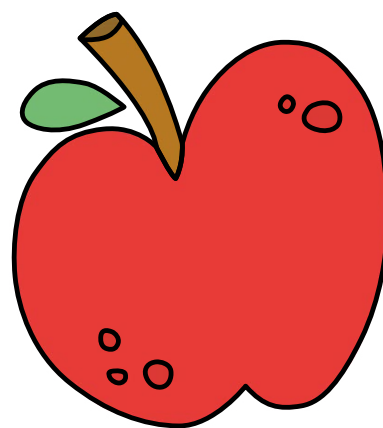

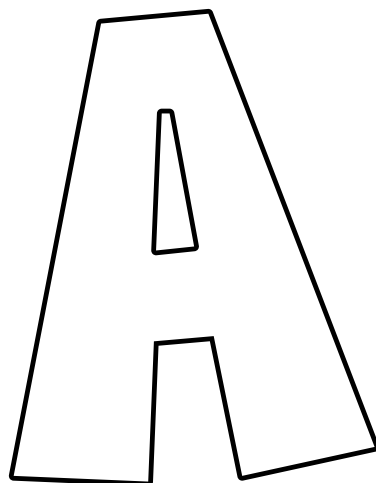

The ABCs with Kenny G is a collection of 60 animated songs that teach foundational literacy skills.

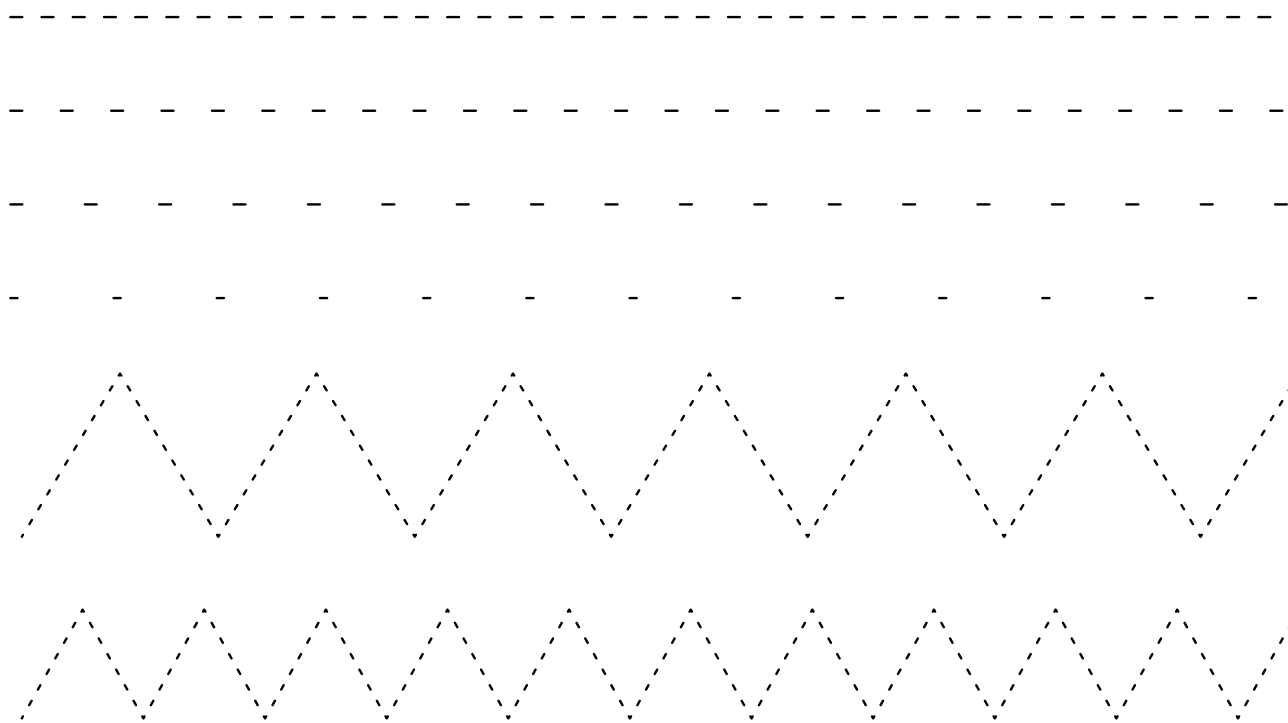

Each song features Kensington, also known as “Kenny G,” a clever neighborhood cat who sneaks away each night to his favorite jazz club, Milk and Cookies. There, he entertains and educates the local animals with funny, catchy tunes that introduce the alphabet, phonics, and vocabulary in a lively and engaging way.
